Hello:

As you know, at CTI22, we uniquely established a standard to provide our diverse broadcast audience with immediate and regular access to elected officials, such as City of Omaha Councilman Frank Brown and Nebraska State Senator Ernie Chambers. Within the limits of our broadcast resources, we're going to provide even greater interaction between public servants and our diverse broadcast audience, because the immediate access we've enabled between our diverse broadcast audience and their elected officials has consistently proven to be a dynamic benefit to everyone! Here at Channel 22 [501(c)(3)], we consistently demonstrate a commitment to freedom of speech and diversity.

In this regard, on a first-come, first-serve basis CTI22 will make no less than 30-minutes of broadcast time available to you, at no expense, for you to provide instant information to and from the diverse communities you also represent here in metro Omaha! You can broadcast "live" from the CTI22 studio, or we can broadcast a pre-recorded tape/DVD. **Please take advantage of this opportunity to directly convey in your own unedited words the character and scope of critically important local, state and national issues, and to receive immediate feedback from your electorate.**

In anticipation of your busy schedule, we can schedule your program for broadcast on a weekly basis, or bi-weekly, monthly, quarterly, or as a "special event" broadcast. Please remember, "We Broadcast Diversity!" **Join us!**

Please respond at your earliest convenience.

Have a great day!

- Community Telecast, Inc. (CTI22) is the only minority-operated and minority-focused cable television company in the metro Omaha area and within 18 states. For our general operations we receive NO tax support from the federal government, State of Nebraska, or local government.
- We proudly recognize the achievements of African-American, Latino, Native American, Asian, and other ethnic groups. No other print or broadcast media companies in metro Omaha or Nebraska duplicate our services, or our scope of operations, or our immediate access to as great or as diverse an audience.
- CTI22 uniquely provides instant information to and from the diverse minority communities we serve through numerous "live" talk-back programs – programs broadcast throughout metro Omaha!
- We believe it's a good thing to inform and educate persons who ultimately wield ownership or control of every facet of American society - who are not minorities and typically unaware of achievements by minorities - that minorities share their same commitment to success!
