Hello:

On Sunday, August 19, 2012 Cox again failed to broadcast CTI22's content for approximately four-(4) hours, from 8:30 p.m. to 12:18 a.m. CTI22 submitted a complaint (enclosed) to the Omaha City Council in this regard. At your election, you may wish to contact them also.

Simply put, the failure to broadcast your content wasn't our fault, *but given our Agreement to broadcast your program as scheduled - we're responsible.* Accordingly, enclosed is a check for \$xx.xx [prorated reimbursement for one-(1) of four monthly broadcasts] to demonstrate our commitment to broadcast quality content and on time.

We sincerely appreciate your support of CTI22!

Have a great day!
