Dear Trip:

I just want to take this opportunity to thank you for your special assistance at National Jewish Center. As you are aware, the legal matter in which we were engaged required the presentation of a complex set of facts to a government agency. The manner in which you organized the facts was very important to the successful outcome of the case. Since working with you on this project, I have used the system you engineered successfully in other situations.

In addition to presenting the facts in an organized, easy to understand fashion, it is a pleasure to work with a person who maintains their objectivity and is able to treat "difficult to handle" people fairly and with concern.

Very best regards,

Sincerely,

Ann Allott
