RE: Letter of Commendation

Dear Trip,

In such an organization as National Jewish Center, success can only occur with the dedication, versatility and flexibility contributed by the participants (employees).
You appear to be a person embodying these qualities.

I have found you to be my point of contact very frequently over the past three years. I take this opportunity to thank you for those many times you have assisted me in my work.

You have always been pleasant, knowledgeable and competent from my point of view.

Sincerely,

Betty D. Askew
